

# Security Updates to St. James United Methodist Church

## Estimates for Consideration **March 3, 2020**

Taking the safety and security of all who visit St. James UMC into consideration in an unprecedented time where regards security and safety entails prayerfully and faithfully doing what we can and allowing God to do what we cannot.

St. James invited Sheriff Bryan Sampsell and Dep. Robert Noell to assess the building and grounds and offer input on a safety plan.

After months of prayerful consideration and discussion, estimates were requested.

These estimates are under review by the members of the Trustees and Administrative Board in preparation for their meeting March 3<sup>th</sup> at 6:30pm (Trustees) and 7pm (Ad Board).

Your input and questions are welcome prior the meeting. We request that questions be submitted in writing with contact information so that we can follow up.

Written input may be placed into the offering plate March 1, 2020.

You can mail it to the church Attn: Board and Trustees, St. James UMC, PO Box 90, Coburn, PA 16832. You may email your input to [theiser@susumc.org](mailto:theiser@susumc.org).

We are asking that all input and questions be submitted on or before March 1<sup>st</sup>.

### **ESTIMATES SUMMARY – note: all prices are the grand total for the request, parts and installation**

*DOORS: Estimates in full detail available at [PennsValleyParish.info](http://PennsValleyParish.info)*

#### **Estimate from Dave Gallagher, HC HoodCo**

**Contact: 814 424 6007 ext. 4104, Cell: 814 404 6579**

#### Main Street double doors:

Option A: “Blow proof” doors/frame that provide max protection from explosion, vehicle, etc.  
Frame and doors system (without windows) \$5,000.00 per set

Option B: Install narrow light kit with glass approx.. 6” wide by 32” high in the door without the panic bar/exterior doorknob. Plate installation over the face of the door to cover holes, and install one panic bar to the door with exterior knob (not the window side)

Ramp side doors: \$1469.00 | Steps side doors: \$948.00 (Light kit and panic/push bar installation)

Option C: Replace the pushbutton box system on the ramp entrance with keyed lock. \$350.00 installed

#### Single Back Door to Sunday School Room/Exterior:

Option D: Panic/push bar installation \$478.00

[CONTINUED]

Side Entrance Double Doors, Ramp Entrance:

Option E: Recommends an ADA compliant width entrance door, railing side of the opening, with a narrow sidelight with window (sanctuary side of the opening). Frame, door, sidelight, panic bar installed \$3,600.00

**WINDOW PROTECTION: note: all prices are the grand total for the request, parts and installation**

3M Protective film provides tinting that makes it difficult to see into the church during the day but you may see out. And it provides protection to the window when attempted to be smashed. Holds the window in place. Takes much longer to break out the window (without IPA). A video demonstration is available along with the detailed estimates on [PennsValleyParish.info](http://PennsValleyParish.info).

*PLEASE NOTE: The side door estimate is for the doors as they exist now. If there is a decision to replace the double doors with the ADA compliant frame set, we will request another estimate. This is the same company HoodCo uses for their 3M film installation.*

**Estimate from Diana Traxler, PA Window Tint, Inc**  
**Contact: Cell: 814-280-5901, Office: 1-800-978-9756**

Proposal to cover exterior door windows with basic 3M protection

Option F: Double Door Side Entrance – 2 panels \$264.00

Option G: Main Street Entrance Doors, Ramp and Steps, (using basic window size as they do not have windows at this time – based on windows in all four doors) \$528.00

Option H: Single Back Door to Sunday School Room/Exterior – 1 panel \$114.00

Proposal with IPA beaded protection to prevent removal of the window from the door frame

Option I: Double Door Side Entrance – 2 panels \$408.00

Option J: Main Street Entrance Doors, Ramp and Steps, (using basic window size as they do not have windows at this time – based on windows in all four doors) \$816.00

Option K: Single Back Door to Sunday School Room/Exterior – 1 panel \$176.00

Estimates assembled and put online February 22, 2020.

With hands to the plow,

*Pastor Theresa M. Heiser*
