

Pentecost – Bible Story

What is Pentecost?

One of three important Jewish festivals, Pentecost is the Greek name for the Festival of Weeks. It celebrates God giving the Israelites the Ten Commandments fifty days after the Exodus from Egypt.

Who was there?

In Bible times, Jewish law required all adult Jewish men to come to Jerusalem from wherever they were living to be in attendance personally for the celebration. The city was full of people from multiple countries speaking different languages.

The followers of Jesus were gathered in a big room, probably talking about the things Jesus had told them and praying together.

What were the followers waiting for?

When Jesus went back to heaven, he told the disciples to watch and wait. He would send a comforter to help them. They had been gathered together waiting to see how Jesus would fulfill his promise. Finally, their wait ended.

What happened to the disciples gathered in the room?

They heard the sound of a rushing, mighty wind and felt it all around them.

They saw little flames of fire that came to rest above each person's head.

Just as Jesus had promised, the Holy Spirit came and filled all of them.

They began to speak in other languages that they had never learned.

What happened to the other people who filled the city of Jerusalem?

The noise in the room was so loud, the people outside heard it and wondered what was happening.

When they came to find out about the noise, they were amazed. The disciples spoke, and everyone heard what had happened in their own languages.

Some of the people wanted to hear about the wonderful works of God. Other people didn't understand, and they even accused the disciples of being drunk.

How did the disciples respond?

Peter stood up and started preaching. Everyone listening to him understood what he was saying. He told the crowd that the things that happened that day were from the power of the Holy Spirit.

He preached about Jesus' teachings and resurrection. Then he explained that the coming of the Holy Spirit was the fulfillment of Jesus' promise to send a helper.

What happened then?

The people asked, "What can we do?"

Peter replied, "Change your hearts and lives. Each of you must be baptized in the name of Jesus Christ for the forgiveness of your sins. Then you will receive the gift of the Holy Spirit."

On that day, three thousand people changed their hearts and lives, were baptized, and became part of the church.

What happens now?

Pentecost is celebrated as the birthday of the New Testament church!

The Holy Spirit is for all people!

Pentecost

John 4:1-42

Each year, we celebrate Pentecost. It is a time to remember how God powerfully sent the Holy Spirit as the promised helper. The followers of Jesus were gathered in a room when they heard and felt a mighty wind blowing around them. They saw little flames of fire above their heads. The Holy Spirit filled all of them. They began talking about what had happened, and all the people from different lands understood what they were saying. More than three thousand people believed the disciples' message, were baptized, and became a part of the church. It was the birthday of the New Testament church!
