

## Nominations for 2021 officers must be completed by September 1, 2020

We WELCOME new folks to help next year! There are boxes available to help us be at least two deep in some. If you wish to continue serving, put a checkmark next to your name. If you do not, draw a line through your name. Do not cross out or write in anyone's name without their prior permission. If you wish to be considered to serve in any capacity write your name in or beside that box. If you have questions, see Pastor Theresa.
