ABOUT THE STUDY

We don't know why the Grinch hated Christmas. We just know he did. In this new Advent study, Matt Rawle explores the faith themes in the Christmas classic, *How the Grinch Stole Christmas!* including, how did the Grinch's heart grow three sizes come Christmas morning? How did Christmas save the Grinch? Could it be that the very thing we think we hate is the one thing that changes our lives? This Advent and Christmas season, look at a familiar classic through the lens of faith and see how Christ speaks to us through our culture. We can take what we learn and share it with literally any generation, as we all are familiar with the Grinch. What a great way to share your faith with others!
